THE STRUGGLE IS REAL

Over 40 million Americans struggle with some form of anxiety. Depression is estimated to effect over 17 million each year and over 350 million worldwide. Depression is the leading cause of disability for people between the ages of 15 and 44. The average age of onset of depression is 32. Only 60% of these people get treatment. 1 in 4 American children are medicated for some kind of mental health issue. Over 1 million people will google "depression" this month.

Before the pandemic hit the experts estimated that between 3-5% of people in the USA would have some kind of a manic episode, but those numbers have dramatically increased. In fact, Time magazine dealt with this in September 2020. They revealed that fear, sadness, and mental instability are side effects of social isolation. At first the reported numbers of anxiety and depression increased by 10% in the Fall of 2020. Those numbers are estimated in 2021 to have risen 25% since 2019. These stats go on and on.

As a church family, we need to be there for each other. If you are struggling with stress, anxiety, or depression, please reach out to someone. We want you to know that our elders, and Ray, are here anytime you need prayer. Do not hesitate to let us know if there's something we can do to help. We also want to encourage you to seek counseling when needed. Cindy Warren is here and a great resource.

The bottom line is that you remember God is always with you. He loves you! Lean on Him and share your burden with others. We can get through these struggles together.

Ray
